

**Damara Sheep Breeders Society of Australia
President's Report 2020**

Dear Members

I hope you are well.

It is now 24 years since the Society was incorporated in WA in 1996.

I receive enquiries usually several times a week about the Damara.

The website has been a valuable asset since it was established.

Members have been able to be contacted by those who are interested in acquiring Damara sheep.

Marianne Wilkinson is to be congratulated for her work in establishing her supplies for high quality genetic material for overseas customers. The establishment of Damara enterprises in Wales was feature of her work.

I would like to thank our Secretary Cameron Hills for his valuable work in the administration of the Society.

Hope to hear from you at the Zoom AGM. The Rural Service have their own account with Zoom. Cameron will be giving out the contact details closer to the meeting.

Len Cargeeg

Kind regards

Len Cargeeg
